This letter acknowledges that you have submitted a complete Notice of Intent (NOI) form seeking coverage under EPA's Vessel General Permit. Your NOI was completed and submitted on 02/06/2012. Coverage under this permit will begin at the conclusion of your 30 days waiting period on 03/07/2012, unless otherwise notified by EPA.

As stated above, this letter acknowledges receipt of a complete Notice of Intent. However, it is not an EPA determination of the validity of the information you provided. Your eligibility for coverage under the Permit is based on the validity of the certification you provided. Your signature on the Notice of Intent certifies that you have read, understood, and are implementing all of the applicable requirements. An important aspect of this certification requires that you correctly determine whether you are eligible for coverage under this permit.

For tracking purposes, the following number has been assigned to your Notice of Intent Form: VPAB3203O.

If you have questions about your report, please call the EPA NOI Processing Center at 1-866-352-7755 (toll free) or send an inquiry via the online form at <http://www.epa.gov/npdes/noicontact>.
